Energy Fix

Refrigerator/Freezer Decommissioning Incentive

Bring in an old refrigerator or freezer to the landfill for decommissioning and FEC will credit you \$50 on your electric bill.

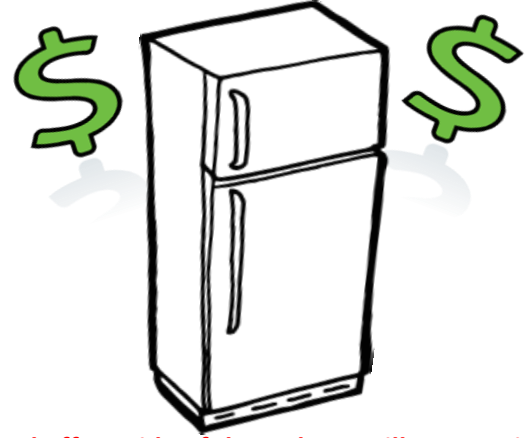

Here's how:

1. Remove a full size working and utilized refrigerator or freezer from your home in FEC's service territory.
2. **Remove the doors** and haul the unit and doors to the landfill.

Flathead County Landfill - Year Round Program

Lincoln County Landfill (Libby) - ONLY April 1st - October 31st Units dropped off outside of these dates will not receive a credit.

3. Drop off the fridge/freezer as directed.
4. Fill out this rebate form, including the Unit Number, and place in drop box or return to FEC.
5. FEC will credit **\$50** to the residential account associated with the address listed on this form once the unit is tested and found to work. This is a pilot program and credits may take eight weeks or longer to post to your bill after date of drop off.

Refrigerators/Freezers that do not qualify:

1. Units removed from commercial buildings.
2. Units that are not full size (greater than 10 cu ft).
3. More than two units for the same residential account.
4. Units dropped off at green box sites.
5. Units recycled/disposed/removed through a retailer.
6. Units that do not operate when tested at the landfill.

Testing times are dependent on weather and testing does not occur at time of drop off.

Name, Address, & Phone Number where it was installed:

Member's Name: _____ Phone: _____

Address: _____

I certify that this refrigerator was in working order and installed and used at the address listed.

I understand that I will NOT receive a credit if the unit does not work when tested. I understand that I will NOT receive a credit if I drop off a unit at the Lincoln County Landfill outside of April 1st - October 31st .
