PLASTIC DISCLAIMER: Plastic that is not properly sorted becomes trash. There are no longer any local recycling services that have markets for plastics that are not properly sorted. Please note that no solid colored plastic is accepted in Flathead County--only Transparent Plastic: #1 (ie. Soda & water bottles, as well as food jars like applesauce jars & mayo—no clamshells or boxes) and Translucent Plastic #2 (ie. Milk, vinegar, windshield washer fluid jugs, etc.) The recommended best practice is to reduce your use of plastic in general and to bring reusable cloth bags to the grocery store.

¹ The **difference** in **paperboard** and **cardboard** cartons lies in how they are constructed. **Paperboard** is thicker than average paper, but it is still just one layer. **Cardboard** is three layers of heavy paper, two flat with a wavy one in the middle.

RECYCLE MORE

GLASS RECYCLING

Flathead Recon: Has lost its lease and is no longer able to accept any glass. There are no glass recycling options currently in the Flathead Valley.

with additional questions.

The WasteNot Project: Working to reduce waste and increase recycling in the Flathead since 1993. Call us for classroom or club presentations.

PROTECT THE FLATHEAD'S WATER QUALITY

HOUSEHOLD HAZARDOUS WASTE DISPOSAL

Flathead Co Landfill: 758-5910.
 This monthly service is covered by the annual fee you pay in your taxes for the landfill and provided for disposal of residential Household Hazardous Waste. Open on the third Saturday of each month by appointment only so you don't have to wait in line. Call for more information.

Accepting: Oil-based paint, solvents, strippers, pool and spa chemicals, pesticides/herbicides, fertilizers, cleaners and poisons. Please bring in original, clearly marked closed containers only. DO NOT MIX WASTES.

DO NOT FLUSH MEDICINES DOWN THE TOILET OR DRAIN

Doing so can pollute local water sources. Chemotherapy drugs can kill the friendly bacteria in your septic tank. This can lead to sewage backups and even system failure. If you receive chemotherapy on a temporary basis for cancer treatment, plan to have the tank pumped soon after your scheduled treatment end date. If you are taking cancer medicines, talk to your healthcare team for proper disposal. Take your other medicines (including pet medicines) to these free and easy drop-off boxes at:

Kalispell

Flathead Co. Justice Center: 920 S Main St.
 Walgreens Pharmacy: 40 W Idaho St.
 The Clinical Pharmacy: 200 Conway Dr.
 Medical Arts Pharmacy: 209 Conway Dr.
 Family Health Care: 1287 Burns Way.
 Sykes Pharmacy: 202 2nd Ave W.

Columbia Falls

Police Station: 130 6th St. W.
 Beargrass Gift and Drug: Coming soon.

Whitefish

Whitefish Police Station: 275 Flathead Ave.
 Alpine Apothecary: Inside Super 1.
 Glacier Medical Associates: 111 Baker Ave.

If you can't make it to a drop box, please follow these steps:

1. Important, do not use this method for cancer medicines - check with your health care team for disposal options
2. Dump medicines out of their container into a resealable bag
3. Pour enough water into the bag to let medicines dissolve
4. Add absorbent like kitty litter, coffee grounds, or sawdust and mix
5. Seal bag, place in a garbage out of reach of children & pets

COST-SAVING BUSINESS HAZARDOUS WASTE DISPOSAL

Flathead Co Landfill: Call to register and for info call: 758-5910.
 An Annual Collection Event is offered by Flathead County in late spring each year at cost-saving rates for small businesses.

Visit <http://mtp2.org/> for cost-saving tips and technical assistance.

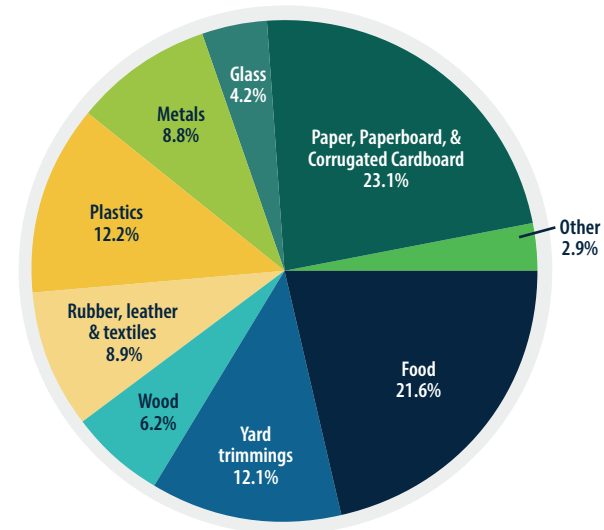

DON'T RISK THE FINE! KEEP FLATHEAD COUNTY CLEAN

In Flathead County, it is a misdemeanor for any person to haul garbage or trash to the landfill or a container site operated by the Flathead County Solid Waste District without containing, covering, or otherwise controlling the load such that no garbage or trash may blow or fall from the vehicle. Failure to comply can result in a fine up to \$200.
